Re: *United States v. Mohammed Zazi, 10 Cr 60 (RJD)*

Your Honor:

I write to request a three-week adjournment of the status conference, currently scheduled for June 15, 2010. As Your Honor is aware, Mr. Zazi is on home detention and electronic monitoring in Aurora, Colorado. Ms. Harris and I have just returned from meeting with him there, during which time we reviewed the discovery and analyzed the factual and legal issues at play in his case. Now that we've met with Mr. Zazi, we are seeking additional time to discuss a possible resolution of the case with the government. We do not wish to delay a trial in this case. However, since Mr. Zazi is on the "No Fly" list, and his family has limited financial resources, we hesitate to have him travel to New York until we have meaningful issues to raise with the Court. The government has no objection to an adjournment.

Thank you for your attention to this matter.

Very truly yours,
